MIAMI BRICKELL FLATIRON LUX REFINERY, MANSION RESIDENCE

Located at 1001 South Miami Avenue, Brickell Flatiron is situated in Miami's only Flatiron Park. Defined in shape and prominent position at the epicenter of downtown Miami's financial district, this 64-story glass tower will accommodate 548 residential units, comprised of 1,2,3,4 and 5 bedrooms, as well as a limited collection of penthouse and duplex residences. The tower, designed by architect Luis Revuelta, has interiors created by Massimo Iosa Ghini, who has blended various architectural elements, furnishings, bold textures, and dynamic sensory spaces and art. The ground lobby will incorporate large scale paintings by Julian Schnabel produced exclusively for Brickell Flatiron. In addition to full service concierge, Brickell Flatiron's rooftop pool, spa & fitness center will offer its residents inspiring 360° unobstructed, panoramic views of Biscayne Bay and downtown Miami's gleaming cityscape.
